

15 December 1967

MEMORANDUM FOR THE RECORD

Morning Meeting of 15 December 1967

DD/I advised that representatives of the NASA earth resources satellite task force will visit NPIC next week.

DD/I drew attention to the Weekly Review Special Report on Che Guevara's diary.

Godfrey reported that there are eighty-nine additional Soviet flights scheduled for Yemen. Godfrey observed that the carrying capacity of these flights is roughly equivalent to that of a small freighter.

Godfrey reported indications that both the Greek junta and King Constantine are leaving the door open to a settlement which includes the King.

Warner reported that the briefing of Senator Montoya went well and that Senator Bayh has requested a background briefing for his trip to Vietnam.

ADD/S&T reported that last night's OXCART flight went very well and that another is scheduled for tonight.

Executive Director reported that Congressman Henderson will be unable to meet with Agency representatives concerning S. 1035 until after 1 January 1968.

Executive Director drew attention to [] dated 4 December 1967, which concerns the crediting of military service toward civilian retirement. Executive Director requested that the Deputies ensure this notice is brought to the attention of all affected.

DDCI reported that USIB members agreed yesterday to ensure that their respective organizations follow through on the BOB canvass of views on S. 1035.

DDCI commented on a briefing he attended on the results of an experiment run by Livermore Laboratories under AEC auspices which brought home a number of lessons concerning the ability of unsophisticated nations to develop effective nuclear weaponry on the basis of publicly available information on nuclear matters. DDCI recommended that the briefing be repeated at an early USIB meeting.
